Subject: Save the Date CWSRF Policy Amendment Workshops

This is a message from the State Water Resources Control Board.

To All Interested Parties:

The Division of Financial Assistance (DFA) will be hosting three public workshops to highlight and discuss proposed changes to the Clean Water State Revolving Fund (CWSRF) Policy. DFA anticipates publishing the draft Policy amendment for public review and comment on or about September 10, 2018, and presenting the draft CWSRF Policy amendment to the State Water Board for consideration on November 6, 2018.

The CWSRF Policy was last amended on February 17, 2015. Since then demand on the CWSRF Program has greatly increased, and additional changes are being proposed by DFA to better manage the increased demand and better manage the credit evaluation process.

If your agency is currently seeking or will apply for CWSRF assistance in the future, this is an important workshop to attend. Below are the dates and times of the workshops and their respective locations. Additional details about registration for these events will be provided in the near future.

<u>Location</u>	<u>Date</u>	<u>Time</u>

Oakland	September 21, 2018	10:00 AM – Noon

We look forward to seeing you at one of the workshops.

Thank you,
Division of Financial Assistance
